**WHAT DO YOU THINK OF IT SO FAR?
10 JUNE 2006**

If you think that we are on the right lines please tell us:

KPA. c/o Renal Offices, 6th Floor, Guy's Hospital, London. SE1 9RT.

If you think we have got it wrong: Please tell us and then volunteer to put it right – *all we ask is that you are positive about improvement and never negative or blaming.*

If you have a spare moment: **join us.**

If you are willing to use your skill or talent to help others, don't be shy, **join us.**

If you have enjoyed the day, please consider making a contribution on the way out.

Thank you so much for coming – look out for pictures and text on our website www.gsttkpa.org and in the local press.

Best wishes

The Committee of 2006
